Kind Attn: Mr. Nalin Doshi

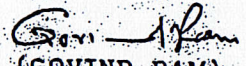

Dear Sirs

We are very much grateful for the whole hearted support your organisation gave to Gujarat Refinery, Indian Oil Corporation Ltd. during its period of crisis on the 4th and 5th of August 1995 for fighting fire on 2 MS Tanks, especially with your mobile high capacity long range foam-cum-water monitors and timely supply of foam compound. Your support supplemented the efforts put in by other neighbouring industries to control the fire. We fully appreciate the hard and painful task carried out by your fire fighting crew and other auxilliary support crews.

Kindly convey our sincere and heart-felt thanks to each one of them.

Wishing all the best to you and your organisation.

Yours faithfully,

(GOVIND RAM)
