KIND ATTN: **MR. NALIN DOSHI, MANAGING DIRECTOR**

Dear Sir,

SUB : **LAUNCHING OF HIGHLY ADVANCED FIRE FIGHTING
EQUIPMENTS AND SYSTEMS**

This has reference to the LIVE FIRE Demonstrations on the latest Fire Fighting Technology arranged at your Baroda Works on 15.12.94.

You have very well timed it with OISD Workshop on Fire & Safety which has enabled the entire Oil Industry members to witness the demonstration.

The great risk you have taken in organising LIVE FIRE inside your factory to demonstrate gantry fire module and fire foam float system shows the immense confidence you have in the systems developed by you. The demonstration of Fire Fighting Skid was also very interesting and the performance of 1000 GPM nozzle to put out tank fire at a distance of 60 mtrs is well appreciated.

We hope your products will be well received in the Oil Industry for the Fire Fighting Systems.

Thanking you,

Yours faithfully,
For BHARAT PETROLEUM CORPORATION LTD.,

T. SATHIASHELAN 12/1/95
