Dear Shah,

It was a pleasure to visit IFSDM on 7th July, 2003 alongwith my colleague Dr. K.C. Wadhwa, Director, National Fire Service College, Nagpur to see and evaluate your sophisticated fire training facilities. We were impressed with the overall facilities.

2. The various advanced technological series of modules installed are suitable for training in fire fighting for the petroleum/power/Railways/Civil Defence sectors and for other fire services.

3. I am sure that in the coming years IFSDM will play greater role in bringing more and more awareness in the fields of fire and safety, rescue and disaster management by producing experts through various academic and practical courses in your Institute.

With regards,

Yours sincerely,

(OM PARKASH)
