Dear Shri Shah,

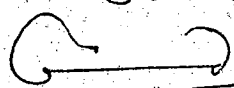

It was a great pleasure to visit your Fire Training institute on 07th July 2003, along with my Colleague, Shri Om Prakash Bhagat, Fire Adviser, D.G.C.D. Office, Ministry of Home Affairs, Government of India, to witness the live demonstrations of fire fighting techniques on different sophisticated simulators, installed at your institute.

2. I am really impressed with the set up, different state-of-the-art equipment & modules your institute possesses for imparting live fire training. These facilities would prove to be beneficial for the fire service personnel of Petrochemical & Power sector, Civil Defence & other fire services in the country.

3. I am sure that your institute will attract personnel from different industries for hands-on training to enrich their skills in the field of fire safety & disaster management.

Thank you once again for inviting me & my Colleague to I.F.D.S.M.

With regards,

Yours Sincerely

(DR.K.C.WADHWA)
